

A Plan for One Room

One small step. Fill the boxes on your phone, or print this page.

1. Choose one space. A shelf, a counter, the bottom of a closet.
2. Answer: what lands here? Write down what piles up there.
3. Answer: what belongs here, and what's in the way?
4. Turn the answers into one first step, and do it today. Move what's in the way to where it belongs.
