

Talk It Out

One small step. Fill the boxes on your phone, or print this page.

1. Open any note or message.
2. Tap the microphone on the keyboard.
3. Talk in short bursts, the way you'd leave a voice note. Say "period" or "comma" where you want one.
4. Read it back once and tidy it. Then paste it or send it.

ON A BUSY DAY

Leave yourself one voice note now. Turn it into text tonight.
